Eckerd Academy

Since 1968, Eckerd Academy has provided highly effective instruction and therapy to help children with emotional and behavioral issues reach their full potential.

Eckerd Academy specializes in helping children ages 10-17 who have struggled at other schools or with traditional counseling efforts. The typical student is making poor peer choices, having anger management or self-esteem issues, and may be experimenting with drugs and alcohol.

Located in Brooksville, Florida just 45 minutes north of Tampa, Eckerd Academy is one of the nation's leading programs for troubled youth, where children learn to redirect their behavior, take responsibility for their actions and return home as better daughters and sons.

Eckerd Academy offers a fully-accredited educational experience that is coupled with an individualized treatment plan combining individual, group and family counseling, therapeutic outdoor adventures and social and life skills training.

Our students' success is enhanced by a low 10:1 student-teacher ratio, state-of-the-art instructional technology including online computer labs, electronic libraries and more. Eckerd also builds knowledge, character, and self-esteem through outdoor adventures such as therapeutic ropes courses, hiking and canoe trips.

Riverside Military Academy

For over 100 years Riverside Military Academy has produced young men of purpose, integrity, and character. We offer a traditional, American-style education where personal values, honor, and love of country still matter. Riverside is not owned or operated by any particular religious denomination, but supports the spiritual and educational goals of all families.

Upon graduation, a Riverside cadet has experienced the challenges of the military model of education and is completely prepared for the rigors of college. He is poised, polite, and confident in any social environment. Riverside cadets stand tall, offer a firm handshake, respect authority, and display a level of confidence that parents may not have observed previously.

Cadets of Riverside Military Academy benefit from a small class size and a 14:1 student teacher ratio. Riverside's College Center assists cadets in preparing their college applications each year. The class of 2011 consisted of 54 cadets who were admitted to over 90 universities including three cadets who were appointed to the U.S. Military Academy - West Point.

Riverside is located on the shores of Lake Lanier in Gainesville, GA. For more information please visit our web site at www.riversidemilitary.com or contact our admissions office at 770-538-2938.

The Rectory School

The Rectory School is an independent, coed, junior boarding (5-9) and day school (K-9) in scenic northeastern Connecticut. Here, students thrive through individual attention and dynamic instruction that teaches to their unique learning styles while challenging their abilities. The growth of the whole person is paramount: along with academics, everyone is involved in visual and performing arts, athletics, and character building. While on our 138-acre, bucolic campus, young people discover the spark within that ignites a desire to excel. The results are happy, fulfilled, and productive youth. Two of our signature courses are more reasons a Rectory education is an advantage. Individualized Instruction Program (IIP) throughout the school year is one-to-one instruction to enrich, support, or remediate, according to the student's needs.

March Experiential Learning Program (MELP), a one-week course outside the classroom, takes students to places near and far for first-hand discovery and adventure. Since 1920, we have continued to make a profound difference in our students through a school culture that affirms the best within each individual and promotes a community that lives the Rectory Creed: respect, responsibility, honesty, and compassion. This foundation prepares our students for the next steps in their education and lifelong learning. For more information, please call 860-928-1328 or visit www.rectoryschool.org.

Tallulah Falls School

Tallulah Falls School is an independent, coeducational college preparatory boarding and day school serving approximately 340 students in grades 6 - 12. Tallulah Falls is located in northeast Georgia, 90 miles from Atlanta.

In 1909, Tallulah Falls School opened its doors to serve children in the surrounding community. Today, TFS continues to provide opportunities for academic challenge, physical participation and personal growth to students from the local area, across the state of Georgia, throughout the nation, and around the world. In addition to its challenging college preparatory curriculum, the school offers a comprehensive selection of competitive sports and extracurricular clubs and activities.

TFS provides need-based financial aid to students whose families may not be able to afford all of the expenses associated with a high-quality, private college-preparatory education.

The TFS experience is centered around community and characterized by personal attention in a nurturing environment. Classes are small, with an average size of 10-15 students. The community of students, faculty, staff and administration are committed to promoting an atmosphere of respect and encouragement, conducive to learning and living.
